### § 1609.2 Definition.

(b) *Fee-generating case* does not include a case where:

(1) A court appoints a recipient or an employee of a recipient to provide representation in a case pursuant to a statute or a court rule or practice equally applicable to all attorneys in the jurisdiction, or

(i) Documented attempts to refer similar cases in the past generally have been futile;

(ii) Emergency circumstances compel immediate action before referral can be made, but the client is advised that, if appropriate, and consistent with professional responsibility, referral will be attempted at a later time; or

(iii) Recovery of damages is not the principal object of the recipient's client's case and substantial statutory attorneys' fees are not likely to be available.
